SCHOOL BREAKFAST go for GOLD

National School Breakfast Week
 March 5-9, 2012

DON'T FORGET TO SPRING FORWARD ON MARCH 11!

BALMY DAYS AHEAD.

When your lips are chapped, you feel the pain -- and that's true even as the days grow warmer. But choose your stick carefully. Look for a lip balm that's phenol-free, because phenol can actually make the problem worse.

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!

★ **OUR NATION'S HISTORY** ★

Georgia O'Keefe was a major American artist for over 70 years, until her death in 1986 at nearly a century old. Many of her best works were vivid close-ups of flowers and stark, beautiful desert

landscapes. O'Keefe was born in Wisconsin, studied in Virginia, Illinois, South Carolina, and New York, and taught school in Texas.

But she is most closely associated with a state in the American Southwest where she painted many of her most famous landscapes. Which state? We're not going to tell you!

We want you to look it up on your own for Women's History Month, which takes place in March.

rethinkthe drink

Water hydrates without calories or artificial sweeteners, so it's the perfect beverage choice. But throw-away water bottles are a major source of pollution. So why not keep a reusable water bottle at school to fill at lunch and throughout the school day? We always have fresh, pure water available for students, so why not dive in?
